

NSW GUILD OF CRAFT BOOKBINDERS
40TH ANNIVERSARY EXHIBITION

To celebrate its 40th anniversary, and in conjunction with the **Bind 19 Australian National Conference for Bookbinders**, the NSW Guild of Craft Bookbinders is planning an exhibition of members' and former members' books. The exhibition will showcase the breadth of work undertaken over the past 40 years.

The NSW Guild is inviting all current and former members to submit a binding. Relatives of deceased members are welcome to submit an example in remembrance of that member's engagement with the craft. We are looking for a range of work including traditional bindings, design bindings, modern binding structures, restoration pieces and enclosures. New members are encouraged to submit a work. Books may be blank.

This is not a competition. There is no charge to participate. There will be a catalogue produced which will be on sale during the exhibition.

The exhibition will be at the NSW Guild bindery in Rozelle from 18 October – 10 November 2019.

Books must arrive at the Guild bindery by 18 September.
